ONE STOP OPERATOR REQUEST FOR PROPOSAL

BACKGROUND

The Workforce Innovation and Opportunity Act (WIOA) was signed into law on July 22, 2014 and became effective July 1, 2015. WIOA supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973. WIOA is designed to help both job seekers and businesses. WIOA addresses the needs of job seekers by establishing a workforce system that helps them access employment, education, training and support services to succeed in the labor market. WIOA addresses employer needs by matching them to the skilled workers they need to compete in the global economy.

Section 121(d) of WIOA requires that each Local Workforce Development Board designate a One Stop Operator whose role is to, at a minimum, coordinate the service delivery of required one stop partners and service providers.

LOCAL WORKFORCE DEVELOPMENT AREA

The Western Maryland Consortium is a designated Local Workforce Development Area (LWDA) under the Workforce Innovation and Opportunity Act (WIOA) of 2014. Western Maryland Consortium has assumed the primary obligation for implementing and coordinating WIOA funded training and employment programs Allegany, Garrett and Washington counties. WMC, under the leadership of the Local Workforce Development Board (LWDB), is committed to building and sustaining a successful workforce for the Western Maryland and providing policy and oversight of WIOA funds and programs. The LWDB is one of 12 workforce development boards across the state that direct federal, state and private funding resources for educational and occupational skills programs. The LWDB is a business-led, policy-setting board that oversees workforce development initiatives in the local area. The LWDB is composed of volunteers from business, civic, education, labor, and community leaders.

The one-stop system is designed to enhance access to services and improve long-term employment outcomes for individuals seeking assistance. The regulations define the system as consisting of one or more comprehensive, physical American Job Center(s) in a local area that provide the core services specified in WIOA. The WMC includes two comprehensive centers:

Hagerstown American Job Center
14 N. Potomac Street
Hagerstown, MD 21740

Cumberland American Job Center
138 Baltimore Street
Cumberland, MD 21721502
